

H.R. 1981

SECTION-BY-SECTION

Sec. 1. Repair Station Security.

Security Standards

The Department must issue regulations to ensure that foreign repair stations have comparable security standards to maintenance work performed by employees of domestic repair stations. If these regulations are not issued within 60 of enactment, foreign repair stations may not be used except in an emergency.

9-Month Deadline for Security Review and Audit

The deadline for completing the Security Review and Audit is 9 months.

References to Under Secretary

Makes changes in the Title that strike reference to the, “Under Secretary for Border and Transportation Security of the Department of Homeland Security” and inserts, “Assistant Secretary of Homeland Security (Transportation Security Administration).”
