115TH CONGRESS
2D SESSION

H. RES.

Directing the Secretary of Homeland Security to transmit certain documents to the House of Representatives relating to Department of Homeland Security policies and activities relating to homeland security information produced and disseminated regarding cybersecurity threats posed by the ZTE Corporation, headquartered in Shenzhen, China.

IN THE HOUSE OF REPRESENTATIVES

Mr. THOMPSON of Mississippi submitted the following resolution; which was referred to the Committee on _____

RESOLUTION

Directing the Secretary of Homeland Security to transmit certain documents to the House of Representatives relating to Department of Homeland Security policies and activities relating to homeland security information produced and disseminated regarding cybersecurity threats posed by the ZTE Corporation, headquartered in Shenzhen, China.

1 *Resolved*, That not later than 14 days after the date
2 of the adoption of this resolution, the Secretary of Home-
3 land Security is directed to transmit to the House of Rep-

1 representatives, to the extent that such homeland security in-
2 formation is in the possession of the Secretary, copies of
3 any document, record, memo, correspondence, or other
4 communication of the Department of Homeland Security
5 or any portion of any such communication, that refers or
6 relates to the following:

7 (1) Any documentation related to the use of
8 any ZTE Corporation's products by the Department
9 of Homeland Security.

10 (2) Any documentation related to cybersecurity
11 threats or vulnerabilities resulting from the use of
12 ZTE Corporation's products by the Department of
13 Homeland Security or the Department's contractors.

14 (3) Any documentation related to the
15 cybersecurity threats or vulnerabilities resulting
16 from the use of ZTE Corporation's products by
17 State and local governments and first responders.

18 (4) Any documentation related to any alerts or
19 warnings issued by the Department of Homeland
20 Security related to the use of ZTE Corporation's
21 cybersecurity products.

22 (5) Any documentation related to cybersecurity
23 threats or vulnerabilities posed by the use of ZTE
24 Corporation products by the Federal Government.

1 (6) Any documentation related to cybersecurity
2 threats or vulnerabilities from state actors, including
3 Iran, or terrorist organizations resulting from ZTE
4 Corporation's activities.
